Undine,

I have reviewed and commented on the draft permit and fact sheet for the Massachusetts Bay Transportation Authority Commuter Rail Maintenance Facility on the OneDrive. It is much improved as a result of your efforts to be concise, clear and focused. If you have question about any of my edits or comments let me know and you can send it to MassDEP. Do you have a contact at MassDEP that you know is expecting this to review. Perhaps cc me and Damien on the e-mail to MassDEP or forward it after sending it) to help track the date.

David
